‘CUED ARTICULATION’

WORD LIST

INITIAL CONSONANT SOUNDS
INFORMATION ABOUT THE WORD LIST

This book was written to accompany the activity book ‘Cued Articulation. Classroom Activities to Teach Children About Sound’.

To assist class teachers in selecting the objects and pictures for an activity or in selecting the best activities for focusing on a particular sound the following word list has been compiled.

As the starting point in sound analysis usually involves listening to and identifying the first sound in a word, the word list is based on the initial consonant sounds of English.

The words are grouped alphabetically into themes or categories and then further categorized into single syllable words, multisyllable words and words beginning with a consonant blend. This represents the general order of difficulty in identifying the initial sound in a word.

Identification of the initial or beginning sound in a word can be assisted by:-

- elongation the long sounds e.g. sssun, mmmman, fffly etc
- breaking the explosion sounds /p/, /b/, /t/, /d/, /k/ and /g/ from the beginning of the word, blending the word back together and discussing how the first sound slides into the next sound e.g. b-at, bat
- stretching out all the sounds in a word while emphasizing the initial sound by saying it more loudly. This give the student more time to hear, see and feel the sounds
- encourage the students to discuss what they can hear, see and feel. Discuss is the sound quiet or noisy ( voiceless or voiced), where the sound is made, what is working/moving and how does it move?
Please note that for ease of reference with the word lists phonetical symbols are used in the headings only.

The initial consonant sounds or phonemes are presented in the following order:

/b/  as in boy.
/k/  as in car, kite and quiche.
/d/  as in dog.
/f/  as in five and photo.
/g/  as in go.
/h/  as in head.
/d/  as in jar and ginger.
/l/  as in love.
/m/  as in me.
/n/  as in no, knit and gnome.
/p/  as in puppy.
/r/  as in rat and wrist.
/s/  as in see, cent, sword and scene.
/t/  as in tea.
/v/  as yet.
/w/  as in wind.

and

/* as in ‘wh’ words such as white, when etc.
/j/  as in you
/z/  as in zoo.
/ /  as in thin.
/ /  as in the.
/ /  as in chair.
/ /  as in ship, sugar and chamois.

* The use of this sound is decreasing in Australia and it is being replaced by /w/.
